This Product Rental Agreement is made and entered into on [Insert Date], by and between [Renter's Name] (hereinafter referred to as the "Renter") and [Owner's Name] (hereinafter referred to as the "Owner"). This agreement outlines the terms and conditions governing the rental of the product described below:

### 1. Product Details

The product to be rented is identified as [Description of Product], hereinafter referred to as the "Product." This product is in [State of Product: New, Used, Refurbished] condition and will be provided in fully functional form, free from any defects that would impair its intended use.

### 2. Rental Period

The rental period for the Product shall commence on [Start Date] and will end on [End Date], unless extended by mutual agreement in writing between both parties. The Renter agrees to return the Product no later than [Return Time] on the End Date unless otherwise agreed.

### 3. Rental Location

The Product will be delivered to and picked up from the following location: [Rental Location Address]. The Renter is responsible for ensuring that the Product is delivered to this location in the same condition it was received, barring reasonable wear and tear. If the Renter requests an alternative return location, prior written approval from the Owner is required.

### 4. Rental Fee

The Renter agrees to pay the Owner a rental fee of [Rental Rate] per [Time Unit: Day/Week/Month] for the use of the Product. Payment will be made via [Payment Method: Cash, Bank Transfer, etc.], and is due upon signing of this agreement or at the start of the rental period, unless otherwise specified in a written addendum. Any late payments will incur a fee of [Late Fee Amount] per day.

### 5. Security Deposit

The Renter agrees to provide a security deposit of [Deposit Amount], payable to the Owner upon the signing of this contract. The deposit will be held as collateral to cover any damage, loss, or excessive wear and tear to the Product during the rental period. Upon return of the Product in satisfactory condition, the deposit will be fully refunded to the Renter within [Timeframe for Refund].

### 6. Product Condition and Liability

The Renter agrees to inspect the Product upon receipt and notify the Owner of any pre-existing damage or malfunction. Failure to report any such issues will result in the assumption that the Product was received in good condition. The Renter assumes full responsibility for the Product during the rental period and will be liable for any loss, theft, or damage that occurs, excluding normal wear and tear. Any necessary repairs or replacements will be charged to the Renter at the market value.

### 7. Use of the Product

The Renter agrees to use the Product solely for its intended purpose and in accordance with all applicable laws. The Product must not be subleased or transferred to any third party without prior written consent from the Owner. The Renter also agrees not to modify or tamper with the Product in any way during the rental period.

### 8. Termination of Agreement

Either party may terminate this agreement at any time before the rental period begins by providing written notice to the other party. If the Renter wishes to terminate after the rental period has commenced, they must return the Product immediately and forfeit any remaining rental fees. The Owner reserves the right to terminate the agreement if the Renter violates any terms of this contract, including non-payment or misuse of the Product.

By signing below, both parties agree to the terms and conditions outlined in this Product Rental Agreement
